

Peter Rabbit Organics Allergen Statement

We take food safety and providing accurate information about our products very seriously. Please find allergen information about all our Peter Rabbit Organics products below. We hope that this information will help answer any questions you may have, but should you need any further information or assistance, please contact us at hello@pumpkintreesnacks.com and we'll be happy to help.

Both our manufacturing facility and our ingredient suppliers are compliant with current Good Manufacturing Practices, Standard Sanitation Operating Procedures and all other regulations for preventing allergen cross contamination.

Major (Top 8) Allergens

When referring to allergens we include the "Major (top 8) Allergens" as below:

- Milk
- Egg
- Peanuts
- Fish
- Crustacean Shellfish
- Tree Nuts
- Wheat
- Soy

We also include the following: -

- Sesame
- Sulphates
- Mustard
- Mollusks
- Gluten

No current Peter Rabbit Organics product contains any of the allergenic ingredients listed above.

Oats are used in some Peter Rabbit Organics products but we source and use only certified Gluten Free oats.

Milk and **Sesame** are currently processed on the same production line as Peter Rabbit Organics pouch products.

Other Allergenic Ingredients

We recognize that some individuals are allergic to ingredients other than those listed above. All ingredients in our products are clearly listed on the back of our products but if you have any concerns or questions about any specific ingredients which may be used in our products or in our facility please contact us at hello@pumpkintreesnacks.com and we'll be happy to help.
